Mr. Jack Craig
Project Manager

Cincinnati, OH 45329-8705

Dear Mr. Craig:

Ohio EPA has reviewed DOE's submittal Proposed Enhancements to the Plant 7 Dismantling Removal Action Work Plan provided to the agency on July 13, 1994. The use of shaped charges for demolition of Plant 7 as proposed in the letter is acceptable to Ohio EPA. Ohio EPA requests that DOE notify the agency prior to initiation of the action and that the agency be provided the opportunity to observe the action.

If you should have any questions, please contact Tim Hull or me.

Sincerely,

Thomas A. Schneider
